# Treasure Coast Jeep Club Member Newsletter

Treasure Coast Jeep Club

Volume 2, Issue 2

## Club News

There are several people that deserve acknowledgement for their outstanding contributions during the Ocala trip. Thank you to Brandi for the last minute trip to the store for more corn and to Christy for staying behind to prepare the corn. Thank you to all of the members for an awesome weekend. Schedules made for a bit of confusion, but once again our members pulled it off. And last but not least, thanks go to Kent for saving our beloved Travis, his trusting passengers and his beloved brand new truck from the side of SR19.

Club t-shirts will be returned for reprint as soon as possible. This meeting is the deadline for returning shirts to Bryan or Brandi. If you returned a t-shirt, you will receive a new one. If you didn't return old shirts, then you will have to purchase new ones when the order is complete.

Our next club event will be MudFest

**H** on February 11th. We will have a cookout at the event. It should be a great day for all.

On February 17th, members will meet at Travis's house at 9:00 am for another aluminum can recycling run. If you cannot attend and would like your cans picked up, please contact Brandi.

There will be a club trail ride to Holopaw on Saturday, February 24th. The club will meet early in the morning for a day long ride. A meeting time and place will be announced soon.

The next club social event will be at 7:00 pm on Wednesday, February 28th at the Dunkin' Donuts/Baskin Robbins in the Publix Plaza on Miracle Mile in Vero Beach.

**Happy Birthdays**

---

## Aluminum Can Drive

We are still collecting aluminum cans for recycling. Another recycling run has been planned for the 17th of February. We will meet at Travis' house at 9:00am. If you need to give your cans to another member or have them picked up, please call or email Brandi. We will be happy to pick them up for you.

Thank You

---

## Member of the Month

Ron & Fran Price have been nominated by Roger as Members of the Month for February for their willingness to host fix-it events at their home. Not only do they offer their well equipped workshop, but their kindness and hospitality as well. Thank you both for your generosity.

It should also be noted that although Roger nominated Ron as Member of the Month, he also nominated his friend for the Lug Nut Award as well. Roger submitted the following story about Ron's trip to Ocala:

On the way to Ocala, we stopped in Scottsmoore to check the steering on Ron's Jeep. The lockers were prohibiting his jeep from turning while being towed. To adjust the steering wheel, Ron had to start the Jeep and adjust the wheel using the power steering. After the Friday trail ride, Ron noticed he was almost out of gas. He had left his Jeep idling from Scottsmoore all the way to campground.

- ◆ 28th—Social

**The Treasure Coast Jeep Club was formed in June, 2006. Our goal is to create an environment in which all fellow Jeep enthusiasts and their families are welcomed. We not only enjoy social events, shows, trail rides, parades, and campouts together, but give to the members of our community that are in need through charitable donations. Our current club members own Jeeps ranging from stock to extreme. We would like to welcome all fellow Jeep owners that share our passion and commitment to join us in our pursuits.**
