## Club News

There were several club events held during February and many coming in March. The next club event will be the DARE Fair on March 17th. It is being held at the Sebastian airport by the Indian River County Sheriff's Department. Members will meet at the Winn Dixie on 512 in Sebastian at 9:30 am and ride to the DARE Fair as a group.

On Saturday, March 24th, the Orlando Jeep Club will be having their annual show. We would like to make a strong showing at this event as a club in order

to show support for a club that supports us in return. The meeting place for this event is the McDonald's on 512 near I-95. We are meeting at 7:00 am and will leave promptly at 7:30. More information about the event is available at [www.orlandojeepclub.com](http://www.orlandojeepclub.com).

Throughout the month of March, Sun Up has asked for our assistance with working at the concession stand for the baseball games at Dodger Town. Please let Brandi know when you are able to volunteer.

Our next social event will be held on Wednesday the 28th from 7—9pm. A place will be decided at the March meeting.

Our club t-shirts have been turned in, are being reprinted and should be back to us soon. The club group photograph at Vero Jeep will be rescheduled after we have received our shirts from the printer.

Thanks to all of the members for another great month.

---

## Mud Fest

Our club attended Mud Fest in Okeechobee on Sunday, February 11th. For this event, we met up with Jeepers Jeep Club and set up together. Both clubs had an amazing turn out which made for quite a showing at the event. As usual, there was plenty of good food for everybody.

Although it was dry and dusty, the promoters made sure there was plenty of mud to play in. As usual, many of our members that ventured into the mud managed to get stuck.

Travis finally got to test out his new 7" long arm kit in the mud for the first time. Dan's transmission was the only serious club carnage for the day. Paul did manage to get his CJ buried badly and it took quite some time to get him free of his predicament.

Mud Fest was yet another successful event for our club and was a great time for all that attended.

---

## Aluminum Can Drive

The second aluminum recycling run was held on Saturday, February 17th. Not many members were able to attend this event, but we did collect quite a bit of aluminum thanks in great part to Jimmy.

After casing in, those who attended the event went out to lunch at Dominic's in Fort Pierce. It was a nice morning long event.

Keep saving aluminum and the club will have another run when we have more collected.

---

## Ice Cream Social

This month's social event was held at the Dunkin' Donuts—Baskin Robbins store located at the Miracle Mile Plaza in Vero Beach. There was a great turnout for the event and we made a great showing. It was a great time to just hang out and talk about our Jeeps and anything else for that

matter.

March's social event location has yet to be determined. Suggestions should be given to Brandi at the monthly meeting. April's social event will be at CiCi's Pizza in Port St. Lucie and all local clubs will be welcome to join.

- March 26th—Chuck Blair

**Member of the Month**

Jimmy Bass has been named the member of the month for February. Thanks in great part to Jimmy's generous aluminum donation, we were able to receive close to \$100. on this recycling run. His continued support of the club is very much appreciated.

**The Treasure Coast Jeep Club was formed in June, 2006. Our goal is to create an environment in which all fellow Jeep enthusiasts and their families are welcomed. We not only enjoy social events, shows, trail rides, parades, and camp-outs together, but give to the members of our community that are in need through charitable donations. Our current club members own Jeeps ranging from stock to extreme. We would like to welcome all fellow Jeep owners that share our passion and commitment to join us in our pursuits.**
